

Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Monday 25 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Dry, cold and mostly sunny today.

Today:

Any freezing fog patches clearing by the end of the morning. Otherwise many places will have a dry and sunny day, perhaps the odd shower across the northwest later. Cold. Maximum temperature 3 deg C (37 deg F).

Tonight:

North coast may see a shower this evening. Otherwise dry with a frost. Rain and high ground snow are likely to spread to western areas later. Minimum temperature -1 deg C (30 deg F).

Tuesday:

Cloudy with rain spreading east through the morning, turning drier from the west later. A little milder than of late. Maximum temperature 7 deg C (45 deg F).

Outlook for Wednesday to Friday:

Mainly dry and cloudy on Wednesday, but more rain later. Remaining changeable with further rain at times on Thursday and Friday, and staying quite mild.
